TRAINING

All our short courses are developed with you, the South African office professional, in mind. Our courses are tried and tested – we bring you great content, delivered by experienced subject matter experts. Training sessions can be held either in-person or virtually.

COACHING

Our individual and group coaching will help your leaders and teams, unlock their potential, so that they maximise their growth and perform at their best. We offer Executive Coaching, Team Leader Coaching and CliftonStrengths Coaching.

CLIFTONSTRENGTHS

The world's best managers rely on CliftonStrengths to gain insight into their strengths (what they do best naturally). We help Individuals and Teams discover their strengths and use them, so that they become more motivated, more productive, more profitable and happier at work.

Testimonials

"Thank you, I thoroughly enjoyed the course. Carrie is an excellent presenter and has a wonderful sense of humour and storytelling abilities. We all truly enjoyed her style and were very comfortable with her and each other, after just a short while. The course material was just as excellent – I actually made a comment that I have done many courses over the years, and this was one of the best I've ever attended."

- Delegate from Merck

"The trainer was unbelievably excellent, she was an absolute star and the best trainer I have experienced. The new skills I have learnt will definitely be applied and will really help me when taking minutes in the future."
